August 5, 2016

### Elections starting to take shape

The following is a list of people who have pulled papers to run for local offices. Pulling papers means they've requested the documents necessary to file to become a candidate. In a few cases candidates have both pulled papers and filed already. The deadline to file for office is Aug. 12 unless an eligible incumbent has decided not to run again. In those cases, the deadline is extended to Aug. 17.
