CLERK'S CERTIFICATE TO INITIATIVE PETITION

I, SHANNON BUSHEY, Registrar of Voters of the County of Santa Clara, State of California, hereby certify:

That the "**Referendum Against Ordinance 15.19, An Ordinance Amending Articles I and VIII of Chapter 19 of the Mountain View City Code Related to Oversized Vehicle Parking on Narrow Streets**" petition was submitted for signature verification on November 25, 2019.

That said petition consists of 598 sections;

That each section contains signatures purporting to be the signatures of qualified electors of the City of Mountain View;

That the affiant stated his or her own qualification, that he or she had solicited the signatures upon that section, that all of the signatures were made in his or her presence, and that to the best of his or her knowledge and belief each signature to that section was the genuine signature of the person whose name it purports to be;

Pursuant to California Elections Code 9115(a), the Registrar of Voters conducted a random sampling technique to verify the signatures. A random sampling shall include an examination of at least 500, or 3% of the signatures, whichever is greater.

In accordance with California Administrative Code 20530, The Registrar of Voters computed the percent of valid signatures by dividing the total number of signatures found valid, 427, by the total number of signatures found in the sample, 500. The Registrar of Voter's then multiplied the raw count of 4,894 by the same sample validity rate to determine the number of total valid signatures.

Per Elections Code Section 9115, subdivision (b), the statistical sampling is over 110 percent.

That after the proponent filed this petition, I verified the required number of signatures by examining the records of registration in this county, current and in effect at the respective purported dates of such signing, to determine what number of qualified electors signed the petition, and from that examination I have determined the following facts regarding this petition:

1.	Number of unverified signatures filed by proponent		<u>4,894</u>
2.	Number of signatures verified		<u>500</u>
	a.	Number of signatures found SUFFICIENT	<u>427</u>
	b.	Number of signatures found NOT SUFFICIENT	<u>73</u>
		1. NOT SUFFICIENT because DUPLICATE	<u>0</u>

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my official seal this 23rd day of December 2019.
